

# Project Tracking Workshop

29 August 2019

**Scottish & Southern**  
Electricity Networks

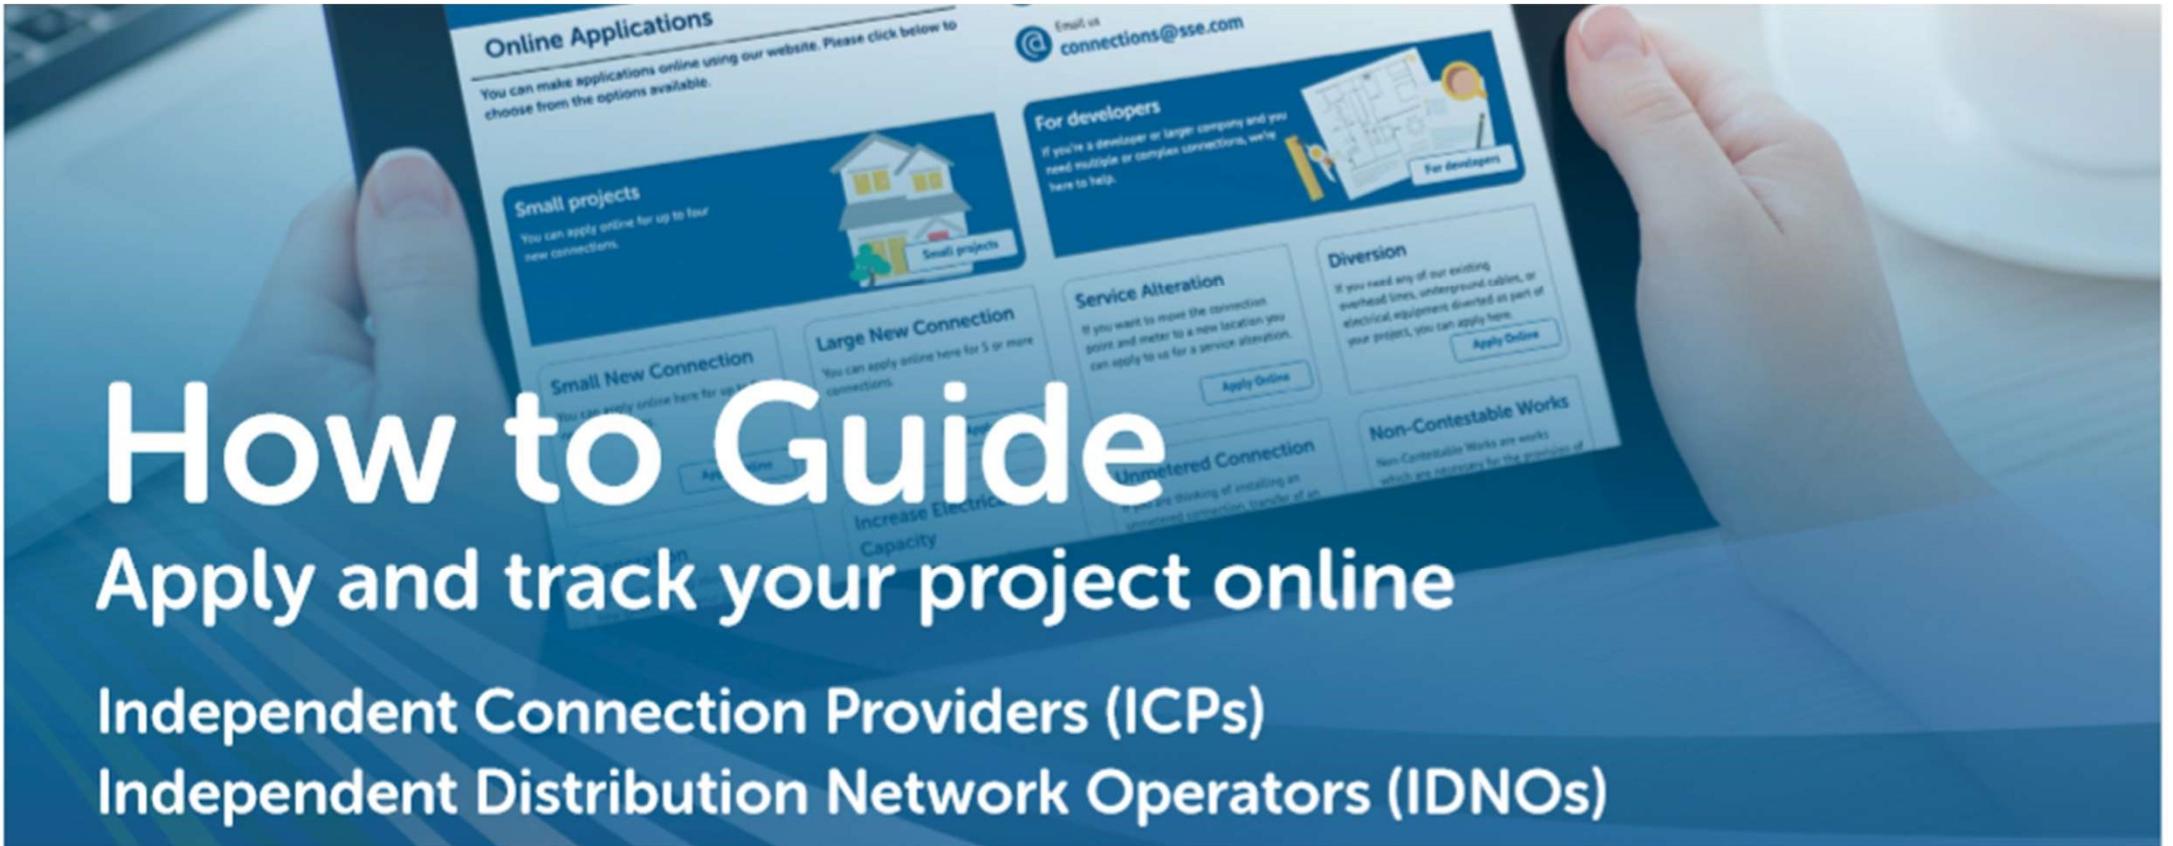

# Welcome and Housekeeping

- Please mute your microphone to mitigate any disturbance due to background noise
- If you have any questions, please note them down and ask at the end OR type them into the chat and we will address them at the end (remember to un-mute yourself if you have a question!)
- We will send out a survey after this webinar where you will be able to provide any feedback and ask any additional questions
