WHAT OUR CUSTOMERS SAY

"I'm in a wheelchair, and have an electric ceiling hoist to help me into bed. My husband also stores medicine in the fridge. Being alerted in advance of the risk of a power cut due to bad weather or planned work really helps my husband and I prepare in advance. It means we can get the right support in place so we feel in control and safe in this situation."

Mrs Millers, Age 65

IT'S FREE AND QUICK TO JOIN

We don't need any proof of your eligibility. You can also sign up on behalf of others, including a family member who you think would benefit from this free service.
